## **CONSTITUTION & COMMITTEE TERMS OF REFERENCE**

### **1. INTRODUCTION**

- 1.1 Local Councils are not required by law to adopt a constitution. However, many councils recognise that it is a valuable document which helps everyone understand how they are set up, how they make decisions, how they are financed, how they are governed, the roles of members and officers and what services they provide to the community. Even though a local council is not required by law to have a constitution, many of these procedures within local councils are governed by legislation (primarily the Local Government Act 1972).
- 1.2 Stanley Town Council has decided that a Constitution is required for the reasons outlined above. It is a living document, which is regularly reviewed and confirmed at each Annual General Meeting. It contains details of who or what body, within the Council, can make various decisions. It contains procedural rules which apply to the conduct of meetings of the Full Council and its Committees (Standing Orders). It also contains guidance to ensure the sound management of the Council's financial affairs and rules that apply to the letting of contracts for the ordering of goods, works and services (Financial Regulations; Standing Orders Relating to Contracts). In addition, it includes a number of other policies and procedures which assist in the efficient management of the Council.

### **2. BACKGROUND - GENERAL**

- 2.1 In County Durham there is only one principal authority, Durham County Council, which is responsible for all major services, including Education, Housing, Social Services, Highways, Planning, Refuse Collection etc. The Council was created on 1 April 2009 following the abolition of the seven existing District Councils. Full details of County Council services are provided on their website.
- 2.2 In addition to the County Council there are over 150 parish and town councils, which are the lowest tier of local government. Like all Councils, they are created by statute and may provide a range of services primarily aimed at improving amenity in the areas they serve. However, the Localism Act 2011

introduced a general power of competence for certain qualifying councils. There are very few legal duties on local councils but they have a wide range of powers, and details are provided in Appendix 1.

## **5. HOW THE COUNCIL IS FUNDED**

### **5.1 How the Town Council is funded**

Local Councils are funded primarily from Council tax contributions made by Local Residents. They also at present receive a grant from Durham County Council under the Local Council Tax Reduction Scheme (which was implemented when Council Tax benefit was abolished in 2012 to make up the shortfall in revenue). The size of the grant from Durham County Council is reducing over time and must be expected to disappear completely in the future. The Town Council receives no contributions from Business Rates.

### **5.2 The Parish Precept**

The name given to the Council tax which is collected for the Town Council is the 'precept'. The Town Council calculates its budgetary requirement in January each year and issues a 'demand' (this is a legal term, it's not an actual demand) to the County Council to collect the required amount of Council Tax from residents to raise the required budget.

### **5.3 How is the precept calculated?**

In December each year, the County Council advises each Town and Parish Council what their 'tax base' is. The tax base is a figure that is calculated by taking the total number of properties in the area which are liable to pay Council tax and converting them to a number of 'Band D' equivalents. This is done using a formula which expresses each band in ninths. For example, a Band A property is 6/9 of a Band D, a Band D property is 9/9 and a band H property is 18/9. A worked example illustrating this is reproduced in the table below:

5.4 Since taking over the management of the Civic Hall income is now received in the form of hire charges and bar sales arising from bookings at the Hall.

5.5 The Town Council receives no grant of any sort from Central Government.

## **6. THE COUNCIL**

6.1 The Council is made up of twenty Councillors who are elected in May every four years by the electors of the town council area. Councillors have an overriding duty to the whole community, but have a special duty to the residents of the Ward that they represent.

6.2 The Council area is made up of seven Wards, each electing a number of Councillors as follows:

Annfield Plain Ward

3 Councillors

Catchgate Ward	2 Councillors
Craghead & South Stanley Ward	2 Councillors
Havannah Ward	3 Councillors
Stanley Hall Ward	4 Councillors
South Moor Ward	3 Councillors
Tanfield Ward	3 Councillors

6.3 The Council is committed to making a positive difference to the local community that it represents. It aims to be a modern, forward-thinking and effective local decision maker, and acts as a focus - a “sounding board” - for local opinion providing a way to get things done which best suits the needs of the local community. It does this by recognising it can’t do everything itself, and works with other agencies (such as the Police), local voluntary organisations and other tiers of government with the aim of improving local services and amenities. This may include the Council providing services and taking a stake in land/or property assets.

6.4 The Town Council has overall legal responsibility for all decisions made on behalf of the residents of Stanley. It can, however, delegate decisions to Committees, Sub-Committees and the “Proper Officer” (the Town Clerk).

## **7. HOW THE COUNCIL OPERATES**

7.1 Under Schedule 12, Part II of the Local Government Act 1972 the Council must hold an annual general meeting and at least three other meetings in any year. A Chair of the Council is elected at each Annual General Meeting and serves for a period of one year. The Chair, if present, must preside at all meetings of the Council or, in his/her absence, the Vice Chair will preside.

7.2 The Council itself can make all of the policy and other decisions within the powers given to local councils by law. However, under Section 101 (1) of the Local Government Act 1972, it can also establish Committees and Sub-Committees to make decisions on issues specifically delegated by the Council, or only to make recommendations on these issues, or a combination of both. Chairs of any Committee established are also elected at the Annual General Meeting, although the Chair of any Sub-Committee or Working Group is elected by that particular body.

7.3 The following matters cannot be delegated to a Committee, Sub-Committee or Officer of the Council:

- ✓ The borrowing of money.
- ✓ The setting of a precept.
- ✓ The disposal of land, other than lettings for two years or less.
- ✓ The introduction of new major policy or a material change in the Council's established policy.
- ✓ The making of byelaws.
- ✓ The purchase of land not provided for, or at a cost in excess of a sum previously allowed for.

7.4 Stanley Town Council has established a number of Committees to make decisions and recommendations regarding the policies and services which it provides. Details of the scheme of delegation are given in Appendix 2 below. The current Committees are:

- ✓ Communication and Events Committee
- ✓ Crime and Community Safety Committee
- ✓ Planning Committee
- ✓ Finance and General Purposes Committee
- ✓ Personnel Committee

7.5 The Council, or any of the above Committees, may appoint sub-committees or working groups to consider issues delegated to them by the parent committee.

7.6 The Council meets on the 4th Tuesday of every month (excluding August) and its Committees meet in accordance with the agreed Schedule of Meetings. Meetings are open to the public and press, although there may be occasions when matters need to be discussed in private and the press and public will be excluded.

7.7 The Council is required by law to appoint a "Proper Officer" and a "Responsible Financial Officer". It can appoint any additional officers required to deliver its programme. Stanley Town Council employs a Town Clerk who fulfils the role of both Proper Officer and Responsible Financial Officer.

7.8 Officers are employed to deliver the Council's services in line with the policies or direction determined by the Members at meetings of the Council and its Committees. They advise Members on policy issues and the statutory requirements the Council has to meet. In addition, the Town Clerk, as Proper Officer, is by law required to undertake certain functions, both administratively and financially, and these are detailed in Appendix 4.

## **8. Role of Members and Officers**

8.1 To ensure good governance and the effective running of the Council it is important to understand the respective roles of Members and officers. They are

both servants of the public, and they are indispensable to one another, but their responsibilities are distinct.

8.2 Members are responsible to the electorate and serve only so long as their term of office lasts. Officers are responsible to the Council. Their job is to give advice to Members and to the Council, and to carry out the Council's work under the direction and control of the Council and its relevant Committees.

8.3 Mutual trust and respect between Members and officers is essential.

## Members

8.4 Members have four main areas of responsibility, which can be summarised as follows:

- a) To determine council policy and provide community leadership;
- b) To monitor and review council performance in delivering services;
- c) To represent the Council externally; and
- d) To act as advocates for their constituents.

8.5 In more detail, a Member should be concerned with most or all of the following:

- a) To be involved actively and constructively in the government of the Town;
- b) To participate fully in the formation and scrutiny of the Town Council's strategies, policies, budgets and service delivery, including the Town Plan;
- c) To ensure, with other Members, that the Town Council is properly managed;
- d) To keep up to date with significant developments affecting local councils;
- e) To be accessible to the electorate of the ward for which the Member is elected, to represent their views and to be receptive to complaints, questions and suggestions;
- f) To represent the whole electorate and reflect their views in considering Council policies and actions;
- g) To attend Council meetings;
- h) To adequately prepare for Council meetings by reading reports and being properly informed on the matters to be discussed;
- i) To take part in meetings, form a view on what is best for the community and then abide by majority decisions taken;
- j) To represent the Council on outside bodies;
- k) To abide by the Council's Code of Conduct.

8.6 All Members have the same rights and obligations in their relationship with the Town Clerk and other officers, regardless of their status or political party and must be treated equally.

8.7 Individual Members:

- a) **must not** involve themselves in the day to day running of the Council. This is the Town Clerk's responsibility, and he/she will be acting on instructions from the Council or its Committees, within an agreed job description;
- b) **do not have and cannot be given** any powers to make decisions on behalf of the Council, including decisions which result in financial commitments for the Council. This includes the Chair of the Council, although he/she does have personal responsibilities in connection with the running of formal meetings (see also Appendix 3).

8.8 All decisions taken by Councillors should be in the best interests of the people of the Stanley Town Council area.

## Officers

8.9 In general, it is the role of officers to provide information and advice to Members, and to implement policies agreed by the Council. The Town Clerk has the senior role in ensuring that Council decisions are implemented and the operation of the Council is effectively managed. His/her duties are wide and varied, some of which are statutory, and cover financial, legal, secretarial and administrative functions, as well as line managing the other officers. (see also Appendix 4).

8.10 Other officers carry out the duties as detailed in their job descriptions.

8.11 In giving advice to Members, and in preparing and presenting reports, it is the responsibility of an officer to express his/her professional views and to make recommendations where appropriate. An officer may reflect on the views of individual Members on an issue, but the recommendations should be the officer's own. If a Member wishes to express a different view they must not pressurise the officer to make a recommendation contrary to the officer's view.

## 9. Governance Documents

9.1 The Council has a number of documents which set the environment in which the Council discharges its duties and powers. They are the internal rules, practical arrangements and processes which are essential to those who form and work for the Council. Members and officers should be able to demonstrate compliance with the governance documents in relation to all activities, decisions and decision making processes.

9.2 The governance documents are:

- ✓ The Constitution, including the Scheme of Delegation

- ✓ Standing Orders
- ✓ Financial Regulations
- ✓ Member Code of Conduct
- ✓ Budget
- ✓ Publications Scheme
- ✓ Complaints Procedure
- ✓ Gifts and Hospitality Policy
- ✓ Member/Officer Relations
- ✓ Bullying and Harassment Policy
- ✓ Grants Policy
- ✓ Whistleblowing Policy
- ✓ Anti-Fraud and Corruption Policy
- ✓ Child and Vulnerable Adult Protection Policy
- ✓ Health and Safety Policy
- ✓ Risk Management Strategy
- ✓ Media Policy, including Social Media
- ✓ Business Continuity Policy
- ✓ Data Protection Policy

9.3 Not all of these documents are currently in place and there may be others added to the list as time progresses. It is not the purpose of this part of the Constitution to repeat the content of these documents. However, they will be available from the Town Council when complete.

9.4 The documents will be kept under regular review and any amendments must be approved by the Full Council.

## **APPENDIX 3**

### **THE ROLE OF THE CHAIR**

The main rules of law governing the role of the Chair of a parish council are set out in the Local Government Act 1972, principally within Schedule 12, which sets out, for example:

- that the Chair must preside at a meeting of the parish council if he or she is present and;
- that it is the person who presided at the meeting who has the responsibility to sign the minutes as a true record.

#### **It is the duty of the Chair**

“to preserve order, and to take care that the proceedings are conducted in a proper manner, and that the sense of the meeting is properly ascertained with regard to any question which is properly before the meeting”

*National Dwellings Society v Sykes (1894)*

#### **It is the Chair’s responsibility:**

- (a) To determine that the meeting is properly constituted and that a quorum is present;
- (b) To inform himself as to the business and objects of the meeting;
- (c) To preserve order in the conduct of those present;
- (d) To confine discussion within the scope of the meeting and reasonable limits to time;
- (e) To decide whether proposed motions and amendments are in order;
- (f) To formulate for discussion and decision questions which have been moved for the consideration of the meeting;
- (g) To decide points of order and other incidental questions which require decision at the time;
- (h) To ascertain the sense of the meeting by:
  - (i) Putting relevant questions to the meeting and taking the vote thereon (and if so minded giving a casting vote);
  - (ii) Declaring the result; and
  - (iii) Causing a ballot to be taken if duly demanded;
- (i) To approve the draft of the minutes or other record of proceedings (with the consent of the meeting);
- (j) To adjourn the meeting when circumstances justify or require that course; and
- (k) To declare the meeting closed when its business has been completed

*“Knowles on Local Authority Meetings” (ICSA Publishing)*

#### **Voting**

During the meeting, if a vote on a matter is tied, the Chair, or other person presiding, has a second or casting vote.

The Chair's term of office continues until the appointment of a successor, other than where the Chair resigns or is disqualified. This continuity also applies when the Chair has not been re-elected following local elections. In this case, the Chair does not have a vote on the appointment of a successor but does have a casting vote in the event of equal votes.

### **Outside of the Meeting**

The Chair:

- is the person to whom notice of resignation is given by other Councillors or the Town Clerk;
- may convene meetings of the Council (on proper notice to the Town Clerk);
- when attending ceremonial events, is the proper person to represent the parish;
- may receive an allowance to meet the expenses of his or her office.

Beyond that, the workings and decisions not taken by the Council or through the delegation scheme, by one of its Committees or Sub-committees are to be taken by the Town Clerk.

The Chair may have an enhanced role, as functions may be delegated to the Town Clerk in consultation with the Chair (or the Chair of a Committee). This means that the decision and the responsibility for it, remains with the Town Clerk (not the Chair) but that he or she must first bring the matter to the attention of the Chair and take into account the views of the Chair in coming to his or her decision.

It is also likely to be the case that the Chair will be the person whom the Town Clerk will approach;

- for information about the Council and the parish;
- to seek to informally discuss matters with and;
- to informally consult on decisions that are in the Town Clerk's remit to make or pass back to a formal meeting.

Correspondence to and from the Council will normally be dealt with by the Clerk, not by the Chair.

## **COMPLAINTS PROCEDURE**

This Policy sets out procedures for dealing with any complaints that members of the public may have about Stanley Town Council's administration and procedures.

It includes complaints relating to the Council's employees.

The Code of Conduct adopted by the Council covers councillors.

Complaints against policy decisions made by the Council are to be referred back to Council to be considered in accordance with the Council's Standing Orders.

If a complaint about procedures or administration as practised by the Council's employees is notified orally to a Councillor or the Clerk to the Council, they are to advise the complainant to put the complaint in writing to the Clerk to the Council and be assured that it will be dealt with within fourteen days of receipt.

If the complainant prefers not to put the complaint to the Clerk to the Council he or she should be advised to put it to the Chairman. On receipt of a written complaint the Chairman or the Clerk to the Council (except where the complaint is about his or her own actions), should try to settle the complaint directly with the complainant. This must not be done without first notifying the person complained against and giving him or her an opportunity to comment.

Efforts should be made to attempt to settle the complaint at this stage.

Where the Clerk to the Council receives a written complaint about his own actions, he is to refer the complaint to the Chairman.

## Item 10 – ATTACHMENT E

The Clerk to the Council is to be given an opportunity to comment. The Clerk to the Council or Chairman of Council is to report to the next meeting of the Council any written complaint disposed of by direct action with the complainant.

The Clerk to the Council or Chairman is to bring any written complaint that has not been settled to the next meeting of the Council.

The Clerk to the Council is to notify the complainant of the date of the meeting at which the complaint will be considered, and the complainant will be offered an opportunity to explain the complaint orally.

If the complaint is likely to result in the Disciplinary or Grievance Procedures being used, or Standard Committee action being taken, then it must be deferred until such action is completed.

As soon as possible after the decision has been made, both it and the nature of any action to be taken are to be communicated in writing to the complainant.

The Council can defer dealing with any written complaint only if it is of the opinion that issues of law or practice arise on which advice is necessary. The complaint is to be dealt with at the next meeting after the advice has been received.

Complaints about elected, co-opted and independent councillors behaving inappropriately should be made to the Standards Committee of the Durham County Council (via the Monitoring Officer).

For more information on how to complain, please contact the Monitoring Officer of Durham County Council, Head of Legal & democratic Services, County Hall, Durham, DH1 5UL.

Stanley Town Council adopted this policy at its Ordinary meeting of full Council held on the 13<sup>th</sup> November 2012.

# Communications Policy

Prepared for: Annual General Meeting, 24th May 2016

Prepared by: Alan Shaw, Town Clerk

18th February 2016

---

## INTRODUCTION

This policy covers the Council's non-statutory external communications both in printed media, broadcast media and on the internet. It does not extend to communication by elected members of the Council who are free to give their own personal views on any subject as long as they do not purport those views to be the settled will of the Town Council and are mindful of the Code of Member Conduct when communicating with the public.

## PURPOSE OF POLICY

As a local Council, a key role of Stanley Town Council is to understand public opinion locally and be well connected with community based groups, organisations and service providers throughout the Parish. This objective will not be met unless the Council creates and maintains effective channels of communication with residents that do not just broadcast information about the activities of the Town Council but support the wider best interests of the Parish and promote the parish of Stanley in a positive way to people in the wider region.

## EDITORIAL GUIDELINES

We will:

1. Promote our own activities in the Community, and aim to increase participation in local democracy, encourage attendance at Council organised events and raise our profile both locally and in the North Durham area.
  2. Promote the activities of other statutory service providers in the local area including but not limited to Durham County Council, Durham Police, Durham & Darlington Fire Service etc.
-

## STANLEY TOWN COUNCIL

3. Seek to support and promote through our media channels local groups and organisations which are not for profit or charitable, or the aims of similar organisations based outside Stanley if they are active in Stanley.
4. Develop Civic Pride by providing information about local history and events.
5. Encourage participation in democracy in general (e.g. encouraging residents to register to vote and vote in elections.)

We will not:

1. Publish any material which is overtly political or presents one political group more favourably than another.
2. Promote the commercial interests of businesses unless there is a community aspect (e.g. a grant from a major retailer, sponsorship of an event, relevant information from utility companies)
3. Publish material (even if meets all other relevant criteria) which portrays Stanley or its communities negatively.

## COMMUNITY NOTICE BOARDS

The Community Notice Board in Front Street (and any there notice boards the Town Council may subsequently have put in place) will be made available for the display of any posters that meet the editorial guidelines

## DELEGATED AUTHORITY

The authority to make editorial decisions about whether or not to publish any information, promotion or advertising using the media channels of the Town Council or Civic Hall is delegated to the Town Clerk, who will apply the provisions of this policy, or if an issue is unclear, exercise discretion in line with the broader purpose of the policy.

## Data Protection Statement

Prepared for: Annual General Meeting, 24th May 2016

Prepared by: Alan Shaw, Town Clerk

---

### **INTRODUCTION**

The Data Protection Act 1998 requires public authorities to have in place policies to deal with personal information provided to us for the purpose of performing our functions. Unlike a principal authority, we do not hold information about the public or business at large but are only provided with such information for matters like grant applications or competition entries.

### **EXISTING DATA PROTECTION STATEMENT**

The existing Data Protection Statement, approved at the AGM in May 2015, reads as follows:

“Stanley Town Council is a registered Data Controller under the Data Protection Act 1998. As such, we will take great care of the information you provide. The information you provide will be used by Stanley Town Council to process your grant application. Your information will be kept confidential, unless we are required, by law, to provide this to an authorised organisation, in which case you would be consulted prior to any disclosure. Statistical information could be requested under the Freedom of Information Act 2000, but this would be anonymised data and you would not be individually identifiable. If you have any concerns or queries, please contact the Freedom of Information officer on 01207 299 109.”

### **RECOMMENDATION**

The existing Statement relates only to Grant Funding requests. In order to make the statement suitable for any possible future requirements, the Clerk would recommend that it is made more generic. I have also removed references to the ‘Freedom of Information Officer’ as this is a non-existent designation.

“Stanley Town Council is a registered Data Controller under the Data Protection Act 1998. As such, we will take great care of the information you provide. The information you provide will be used by Stanley Town Council only for the purposes it was provided for. Your information will be kept confidential, unless we are required, by law, to provide this to an authorised organisation, in which case you would be consulted prior to any disclosure. Statistical information could be requested under the Freedom of Information Act 2000, but this would be anonymised data and you would not be individually identifiable. **To: Annual General Meeting, 24th May 2016**

**From: D Shingleton, Finance Manager**

**Subject: ANNUAL ACCOUNTS 2015/2016**

---

### **1. INTRODUCTION**

1.1 The Accounts and Audit Regulations 2015 require the following final accounts processes to be completed.

- a) The Responsible Financial Officer (RFO) must sign and date the accounts, once completed, and confirm that they present fairly the financial position of the Council at the year end, and the income and expenditure of the Council for the year;
- b) Once the RFO has completed the above, the Council must, in the following order
  - Consider the statement of accounts;
  - Approve the statement of accounts by resolution; and
  - Ensure the statement of accounts is signed and dated by the chair of the meeting.
- c) The RFO must then publish, which must include publication on the Council's website,
  - The statement of accounts accompanied by a statement that they are unaudited and may change, and the annual governance statement; and
  - A statement that sets out the period for the exercise of the public's rights of inspection, details of how the inspection can take place, the name and address of the local auditor, and details of sections 26 and 27 of the Local Accountability and Audit Act 2014 regarding inspection of documents and the right to make objections at audit.
- d) The 30-day public inspection period runs from 13 June to 22 July 2016.
- e) As soon as possible after the end of the public inspection period, but by no later than 30 September 2016, the Council must publish, including publication on the website,
  - The statement of accounts, including any audit certificate or opinion if received, and the annual governance statement; and
  - Copies must be made available for purchase at a reasonable cost and be retained for public access for a period of not less than five years from the date they were first published.
- f) As soon as possible after the completion of the audit, the Council must publish a notice that the audit is complete and that the statement of accounts has been published, together with details of the right of inspection.

1.2 I have a timetable in place which will help to ensure that these statutory requirements are met.

### **2. FINANCIAL PERFORMANCE 2015/2016**

2.1 I submitted a report on the Council's financial performance in 2015/2016 for information to the Finance and General Purposes Committee on 11 May 2016. The purpose of this report is to obtain formal approval by Members for the annual accounts in the form of the Annual Return. I have included a summary of the financial performance for the year for information, without repeating the detail. However, I enclose a full Trial Balance as at 31 March 2016 which summarises all income and expenditure, and Balance Sheet items such as cash, debtors and creditors.

2.2 The final position for the year 2015/2016, which is subject to external audit, is summarised below. All adjustments for accruals (costs and income relating to last year, but which are not yet paid or received) and pre-payments (costs and income paid or received last year but relating to 2016/2017) have been made.

**FINANCIAL PERFORMANCE 2015/2016**

<b>TOTAL</b>	<b>£866,660</b>	<b>£813,016</b>	<b>£53,644</b>

2.3 The Council set a budget of £766,660 for the year ended 31<sup>st</sup> March 2016. This was to be funded by a Precept of £631,565 on Durham County Council, a grant of £135,095 from Durham County Council in respect of the Local Council Tax Reduction Scheme (LCTRS). An amount of £100,000 was also transferred from

Earmarked Reserves to fund a payment of £100,000 to DCC in respect of works on the Front Street, increasing the total available to £866,660. The above table shows that actual net expenditure for the year was £813,016, representing an under-spending on the budget of £53,644.

2.4 In addition to the above, an amount of £91,961 has been spent in relation to capital works financed from the loan of £200,000 from the PWLB leaving an amount yet to be spent of £108,039. The breakdown of these costs to date is as follows:

Seating	£32,878
Lighting	£8,500
Flooring	£8,017
Roofing	£1,424
Windows	£23,578
Equipment	£17,564
Total	<u>£91,961</u>

### 3. FINANCIAL POSITION AT 31 MARCH 2016

3.1 Taking into account the above financial performance for the year 2015/2016, the financial position regarding Reserves at 31 March 2016 is shown in the table below:

#### Reserves as at 31<sup>st</sup> March 2016

General Reserve	£289,714
Earmarked Reserves–Front Street Regeneration:	£125,000
Total Reserves	£414,714

3.2 The above figure is different to the figure shown in the Annual Return because the Return includes the unspent balance of the loan as income and the cost of fixed assets and stock as expenditure. The figures are reconciled as follows:

Annual Return	£462,563	Reserves per
	Less:	
	Loan not yet spent	£108,039
	Add:	
	Cost of Fixed Assets	£56,783
	Cost of Stock	£4,333
	Reserves	<u>£414,714</u>

3.3 The overall financial position of the Council at 31 March 2016 is shown in the Balance Sheet below

**BALANCE SHEET AS AT 31 MARCH 2016**

	<u>£</u>	<u>£</u>	<u>£</u>
<b><u>Fixed Assets</u></b>			
Plant, Machinery, Equipment	£56,784		
Windows, Flooring, Equipment	£91,961	£148,745	
<b><u>Current Assets</u></b>			
Debtors (VAT)	£7,592		
Debtors (Other)	£4,860		
Payments in Advance	£5,221		
Accrued Income	£1,066		
Bar Stock	£4,333		
Cash in Hand and at Bank	£472,454	£495,526	
Total Assets			£644,271
<b><u>Long Term Liabilities</u></b>			
Loan		(£180,000)	
<b><u>Current Liabilities</u></b>			
Accruals	(22,760)		
Receipts in Advance	(£6,797)	(£29,557)	
Total Liabilities			£209,557
<b><u>Current Assets less Current Liabilities</u></b>			£434,714

<b><u>Represented By:</u></b>			
<b><u>Reserves</u></b>			
Earmarked		£125,000	
General		£289,714	
Capital Accounting Reserve		£20,000	£434,714

3.4 The above Balance Sheet reflects the full financial position of the Council at 31 March 2016 taking into account all capital transactions, including assets and liabilities. The accounting regulations for smaller councils do not separate between assets such as property and equipment or long term liabilities such as loans. As a result, the Annual Return included the £200,000 loan as income last year, and the amount spent from the loan as expenditure this year. As far as the Annual Return goes, the outstanding loan balance is shown as a memorandum box only at the bottom of the form – Box 10.

3.5 The Balance Sheet shows a difference of £20,000 from the level of Reserves shown in paragraph 3.2. This represents the repayment of the principal element of the PWLB loan. Capital accounting regulations for smaller councils require any repayment of loan debt to be allocated to a Capital Accounting Reserve which addresses the missing entry in relation to these entries. It is not available for use and the true level of Reserves is £414,714.

#### 4. ACCOUNTS 2015/2016

##### Annual Return

4.1 As I have mentioned, the accounts for 2015/2016 have been prepared in the form of the Annual Return. A copy is attached as ATTACHMENT I. Under the Accounts and Audit Regulations 2015 the Return must be approved by a meeting of the Full Council by no later than 30 June.

4.2 The Return comprises a six page document, made up as follows:

Section 1 (Page 2) – **Annual Governance Statement** – this comprises a series of “assertions” on governance which have to be answered indicating whether the actions have been completed and, if not, an explanation of why not is required. It is my view that we can answer “yes” to all of the questions. This Section **MUST** be approved in advance of the Statement of Accounts, and to facilitate this I submitted a report with an Annual Governance Statement for the year 2015/2016 to Members at the April meeting which was approved.

Section 2 (Page 3) – **Statement of Accounts** – this summarises income (boxes 2 and 3) and expenditure (boxes 4, 5 and 6) for the year, and the previous year, into several categories. It shows information on balances brought forward (box 1) and carried forward (box 7), cash & short term investments (box 8), total fixed & long term assets (box 9) and total outstanding borrowings (box 10). It must be formally approved by the full

Council, signed by the Town Clerk and the Chair of the Council meeting where it was approved, with the date and minute reference of the meeting approving the accounts.

The Council's Financial Regulations include a de minimis level of £10,000 for capital expenditure. The effect of this is that the acquisition of any plant and equipment below that figure could be charged direct to revenue. My own view is that this is too high and I have included in the Asset Register (ATTACHMENT K) all equipment acquired above £1,000. The total figure of £179,882 is included in Box 9 of the Return.

The figure in Box 10 represents the amount of the PWLB loan still outstanding at 31 March 2016.

Section 3 (Page 4) – **External Auditor's Certificate and Opinion** – this is completed by our external auditors, BDO, once their audit is completed. It is required to be done by 30 September.

Section 4 (Page 5) – **Annual Internal Audit Report** – the Council's internal auditor has completed this section confirming a number of statements covering preparation of the accounts, maintenance of proper records, the assessment of risks, etc. His responses are based on his Annual Report for the year 2015/2016 which covers the work he has done during the year. This Report will be available for the meeting.

### **External Audit Process**

- 4.3 As I previously reported, the audit process has changed this year and details are provided in Section 1 of this report. The Council is allowed to make a charge for any copies of documents requested by anyone inspecting the accounts and I would suggest that a charge of 10p per sheet be applied to reflect the fact that there may be some staff time involved in accessing information requested. The normal charge for copying is 2p per sheet.

## **5. CONCLUSIONS AND RECOMMENDATIONS**

5.1 I would **RECOMMEND** that Members:

- a) Approve the content of Section 1 of the Annual Return, note the response given in each box and authorise the Town Clerk (as Responsible Financial Officer) and the Chair of the meeting to sign the appropriate boxes, and specifically record this approval in the minutes of the meeting;
- b) Approve Section 2 of the Annual Return and authorise the Town Clerk and the Chair of the meeting to sign the appropriate boxes, and specifically record this approval in the minutes of the meeting;
- c) Note Section 4 of the Annual Return and the responses given by the Internal Auditor; and
- d) Approve the charge of 10p per sheet for any copies of the accounts requested.

# Local Councils, Internal Drainage Boards and other Smaller Authorities in England Annual return for the year ended 31 March 2016

---

Every smaller authority in England with an annual turnover of £6.5 million or less must complete an annual return at the end of each financial year in accordance with proper practices, summarising its activities. In this annual return the term 'smaller authority'\* includes a Parish Meeting, a Parish Council, a Town Council and an Internal Drainage Board.

## The annual return on pages 2 to 4 is made up of three sections:

- Sections 1 and 2 are completed by the smaller authority. Smaller authorities must approve Section 1 before Section 2.
- Section 3 is completed by the external auditor.

In addition, the **internal audit report** is completed by the smaller authority's internal audit provider.

Each smaller authority must approve Sections 1 and 2 of this annual return no later than 30 June 2016.

## Completing your annual return

Guidance notes, including a completion checklist, are provided on page 6 and at relevant points in the annual return.

Complete all highlighted sections. Do not leave any highlighted box blank. Incomplete or incorrect returns require additional external auditor work and may incur additional costs.

Send the annual return, together with the bank reconciliation as at 31 March 2016, an explanation of any significant year on year variances in the accounting statements, **your notification of the commencement date of the period for the exercise of public rights** and any additional information requested, to your external auditor by the due date.

**Your external auditor will ask for any additional documents needed for their work. Unless requested, do not send any original financial records to the external auditor.**

Once the external auditor has completed their work, certified annual returns will be returned to the smaller authority for publication or public display of Sections 1, 2 and 3. You must publish or display the annual return, including the external auditor's report, by 30 September 2016.

It should not be necessary for you to contact the external auditor for guidance.

More guidance on completing this annual return is available in the Practitioners' Guides that can be downloaded from [www.nalc.gov.uk](http://www.nalc.gov.uk) or from [www.slcc.co.uk](http://www.slcc.co.uk) or from [www.ada.org.uk](http://www.ada.org.uk)

## Guidance notes on completing the 2015/16 annual return

1. You must apply proper practices for preparing this annual return. Proper practices are found in the Practitioners' Guide\* which is updated from time to time and contains everything you should need to prepare successfully for your financial year-end and the subsequent work by the auditor. NALC, SLCC and ADA have helplines if you want to talk through any problem you encounter.
2. Make sure that your annual return is complete (i.e. no empty highlighted boxes), and is properly signed and dated. Avoid making amendments to the completed return. Any amendments must be approved by the smaller authority, properly initialled and explanation provided. Annual returns containing unapproved or unexplained amendments will be returned and may incur additional costs. **Smaller authorities must approve the annual governance statement before approving the accounts.**
3. Use the checklist provided below. Use a second pair of eyes, perhaps a Councillor or Board Member, to-review the annual return for completeness before sending it to the external auditor.
4. Do not send the external auditor any information not specifically asked for. Doing so is not helpful. However, you must tell the external auditor about any change of Clerk, Responsible Finance Officer or Chair.
5. Make sure that the copy of the bank reconciliation which you send to your external auditor with the annual return covers all your bank accounts. If your smaller authority holds any short-term investments, note their value on the bank reconciliation. The external auditor must be able to agree your bank reconciliation to Box 8 on the accounting statements (**Section 2 on page 3**). You must provide an explanation for any difference between Box 7 and Box 8. More help on bank reconciliation is available in the Practitioners' Guide\*.
6. Explain fully significant variances in the accounting statements on **page 3**. Do not just send in a copy of your detailed accounting records instead of this explanation. The external auditor wants to know that you understand the reasons for all variances. Include complete analysis to support your explanation. There are a number of examples provided in the Practitioners' Guide\* to assist you.
7. If the external auditor has to review unsolicited information, or receives an incomplete bank reconciliation, or you do not fully explain variances, this may incur additional costs for which the auditor will make a charge. **From 2016 onwards, you must inform the auditor of the date set for the commencement of the period for the exercise of public rights.**
8. Make sure that your accounting statements add up and the balance carried forward from the previous year (Box 7 of 2015) equals the balance brought forward in the current year (Box 1 of 2016).
9. Do not complete Section 3 which is reserved for the external auditor.
