## Grit Bins Facebook Post

True Grit. To help residents deal with the cold snap, Stanley Town Council is putting out an additional 11 grit bins around the parish today to add to those that Durham County Council already supplies. We have some additional bins if any other locations that need grit come to light over this winter, so please feel free to let us know if there's any areas we should know about!

**Gemma Rennison** How can we get these in Pont at Leadgate? It would be very useful as in bad winters we get literally snowed in.

Like · Reply · Message · December 5, 2016 at 2:50pm

**Stanley Town Council** Sorry Gemma Leadgate is outside the Stanley Town Council area.

Perhaps approach your local County Councillor to see if they can assist.

**Stanley Town Council** The one at the care home will still be there. These are new bins from the Town Council. This location covers the old folks bungalows in the picture and there's a school opposite. The bins will get brought in during the summer.

**Rachel Louiise Lennox** Can we all please think of the elderly 😊 my estate gets extremely bad in the winter but we manage.. I would much rather see these grit bins go to estates with bungalows to help the elderly.. some can't even leave their homes because it's too dangerous.. and a fall could do more than just injure them x

Like · Reply · Message · 7 · December 5, 2016 at 2:42pm

**Katie Gibson** We have old people bungalows that ambulances need to attend to regularly and the road is lethal when it's icy and we don't have any access to any salt bins and never have.

**Pamlaa Davies** I second Tyne vale, we have requested grit bin for years, if it snows us who live at the bottom of the estate can't get off as all the water runs down to this bottom corner, I am sure Jack Pye (councillor) will verify this as he has asked about the grit bin before.

**Tanya Lolly Hall** definitely at the junction of bottom hillside gardens - we residents go out all the time to help motorists - ive lived here 15 years and every year there has been at least 4 crashes - and countless cars ending up in the front garden of pelaw avenue - and salt is needed not just grit

**Jackie Teasdale** Parkside area in Tanfield is always bad a lot of people use our estate to park for the school and a lot of youngsters and elderly use the path ways to the post office and shop.  
Thanks

**Gillian Joyce** I also would like one at Tyne Vale. At the entrance to the estate. That corner is really bad and narrow in the best of conditions never mind icy weather. And there has been loads of accidents on main road, and buses (including school buses) struggle there in the bad weather. A bin there would help the residents of the estate and public on main road.

**Harry Gill** The road leading into north Leigh Tanfield lea is like a skating rink , in bad weather you are unable to go out so you feel trapped, surrounded by elderly and disabled on the estate , years ago we had a grit bin but it was never replaced.
